

Active Shooter Response (LE)

This one day course is designed to train patrol officers in how to respond to an active shooter/ workplace violence incident. The morning covers the trends in school violence/ workplace violence incidents and what responding officers may expect. The course also offers suggestions on policies for dealing with a school violence incident. Officers will be taught tactical movements and room clearing as well as officer rescues. The team concept is stressed in this course. Students will also learn officer rescue techniques. Other topics include:

- History of school violence
- Lessons learned from past events
- Planning / Training
- Approach / Entries
- Two man clears
- Solo clears

Participants will be run through live scenarios with role players.
