

## **Tactical Carbine III Course**

This one day course is an advanced carbine course. Two man team tactics will be taught along with shooting from improvised positions. Students will learn how to work with a partner while engaging multiple targets under stress. Several of the drills require physical exertion and marksmanship under stress will be the goal of the day. The topics that will be covered include:

- Multiple target engagements
- Shooting and moving
- Rapid engagements
- Two man team concept
- Room clearing
- Transitions

### **Required Equipment:**

Eye Protection (wrap around style)	Ear Protection
