" TIP OF THE SPEAR TRAINING "

This half-day course is to help new and experienced shooters become more comfortable with pistol shooting and develop their skillsets. The first half of the course will be spent in the classroom answering questions and discussing safety and handling of pistols. The focus of the course is to make the shooter more informed and more comfortable with a pistol. The classroom portion will be followed by live fire drills conducted on a closed range so only those people in the class will be on the range. The topics that will be covered include:

Topics Covered-

- Firearms Safety and Storage
- Fundamentals of Marksmanship
- Cleaning and Maintenance
- Defensive Firearms Use
- Loading and Unloading
